

DRYLINES

Goosebumps dryline range gives you the opportunity to fill your counters quickly with just the quantity of product you require, ensuring freshness daily for your customer.

Crunchies Brownies Baked Cup Cakes

Defrosting:

Remove from freezer and defrost for 30 minutes to 1 hour. When completely defrosted, present in counter or shelf.

Snowballs

Defrosting:

Remove frozen amount of units required from the box and place on flat pan lined with clean greaseproof paper and defrost for 20-45 minutes depending on size.

Finishing:

Prepare Paletta Neutral by mixing 10% water with 90% Neutral, mix in red food colouring. Coat each half and sandwich together and place on wire rack to allow excess coating to drip off. Coat with fine desiccated coconut.
